The Show Director reserves the right to determine whether items may or may not be displayed and/or sold at this show.

Exhibits of federal Firearms Act Class III items such as machine guns, sawed off shotguns, silencers and other such items will be permitted providing proof of legal ownership and registration is available and all federal laws are complied with.

All firearms shall be secured with nylon tie straps in such a manner that they cannot be loaded and the actions closed. All firearms with detachable magazines shall have the magazines removed at all times during the show. There will be no exceptions to this rule and any failure to comply will result in expulsion from the show.

The show is sponsored by the Hernando Sportsman's Club, Inc. which is an NRA affiliated club that promotes the shooting sports in the local area. All proceeds from this show are used to provide a safe, comfortable place to shoot.
